

Protection concept Mariastein Monastery, control certificate obligation

Conditions for services in the basilica and the chapels of Mariastein from Monday 13 September until further notice are published on the homepage www.kloster-mariastein.ch and at the entrance to the basilica. Each community and grouping is responsible for ensuring that the applicable Covid measures are observed!

For services with more than 50 people, guided tours and audio-visual presentations the following applies:

Compulsory certification and compliance with hygiene measures!

We hereby confirm that we have checked the validity of the certificates of the participants.

Name, first name of the responsible person:

.....

Telephone number/e-mail address (for queries)

.....

Place, date and signature:

.....

The completed form must be handed in at the gate after the service or sent to the following address: wallfahrt@kloster-mariastein.ch
